**Website Design - Hosting - Management**  
**Friendly customer service and tech support**

## Web Hosting Services

- Notchnet has provided web and email hosting services for over 12 years to hundreds of small businesses and non-profit organizations. By partnering with leading web companies, Notchnet offers the latest technology for security, spam filtering and back-up services.
- Server monitoring and back-up of all databases and content is preformed weekly at the data-center in New York and San Jose, CA as well as daily back-ups in our Littleton office.

### Basic Hosting Package

**\$28.00/month**

Perfect for the small website (under 20 pages) not needing e-commerce or database features.  
800 MB of space on a secure server with **three e-mail accounts** with spam/virus protection.

### Enhanced Hosting Package

**\$35.00/month**

For larger websites that need database or security features.  
This package allows up to 1 GB of space on our secure server with 5 e-mail accounts.

*Additional Email Accounts are \$3/month each.*

*Ask us about the new Managed Exchange Server Accounts - offers all the services of a mail server, without having to purchase and manage the server in-house!*

### All Notchnet Hosting packages include:

Hosting connection equivalent to over 150 T-3's  
Detailed website traffic reports  
Daily data back-up of content

E-mail boxes with spam and virus protection  
Secure server with the latest software  
Local tech support
